NOTIFICATION OF CONSTRUCTION ACTIVITY

Cal-Pacific Construction has been contracted by the City of Mountain View to perform the library modifications on Franklin Street. They will be pumping concrete on **Thursday, April 26, 2018**, from approximately **7:30 AM to 12 PM**. The concrete will be used for the new concrete deck on the second floor. Please anticipate construction noise and lane closures on your street during this time period. Cal-Pacific will start to prepare for construction around 6 AM, but noisy construction activities and traffic control will not begin until 7:30 AM.

Some street parking on Franklin Street will be affected during construction hours. “NO PARKING – TOW AWAY” signs will be posted 48 hours prior to the start of work. Please pay attention to the dates listed on the signs. Any changes in schedule will be reflected on the NO PARKING signs.

We regret any inconvenience this may cause you. If you have any questions regarding this project, you can contact me at 650-903-6507 or Felix Guzman (Cal-Pacific) at 650-921-3458. Thank you for your patience and cooperation.

Sincerely,

Vincent Chang
Assistant Engineer
